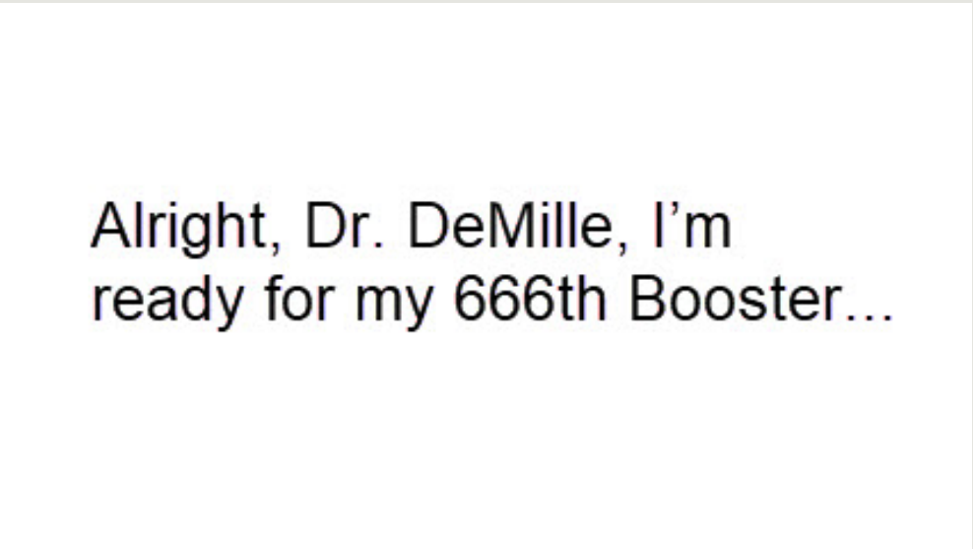
Israel is preparing for possible fourth COVID vaccine booster dose



Alright, Dr. DeMille, I'm ready for my 666th Booster...

BATTLEFORWORLD.COM | November 23, 2021: Well, we all thought two doses as prescribed by the CDC/WHO medical experts, would do the job and keep COVID-19 under control, but then came the third dose, and now in Israel they are pondering the possibility of a fourth dose. Israel has started preparations...

Red Alert: Renowned Cardiac Surgeon Steven Gundry Warns mRNA Covid-19 Vaccines More Than Double the Risk of a Heart Attack!

Using more sensitive and predictive biomarkers of heart function, cardiologists have produced startling data which suggests all Covid-19 vaccination should come to a halt. Steven Gundry MD, renowned cardiac surgeon, known more by the public for his dietary advice to avoid toxic lectins in foods and his book entitled THE PLANT PARADOX, has issued a precautionary red flag for Covid-19-vaccinated patients and those still considering vaccination, given that a sophisticated prognostic test used by his medical group indicates Covid-19 RNA vaccines increase the 5-year risk of the most feared type of acute heart attack from 11% to 25%!

One DUMB Move
THE TRISH REGAN SHOW

Biden Is Trying To Communize Our Banks? – Trish Regan Must Video

Has Biden Always Been This Dumb? It's a fair question given his latest move. President Joe Biden just made a massive political mistake by nominating Saule Omarova -- a woman who seems to want to socialize, or even COMMUNIZE, our American banking system. Why is he courting the the radical left with moves like this? Trish Regan examines what Omarova has written about the need to shift consumer bank deposits to the Federal Reserve...thereby creating a government monopoly in banking.
